

Material Safety Data Sheet

Product name: Veddelholzer Dentspray

Date of issue: JULY 02, 2025

Revision: 1-CM

1. Product information/Manufacturer information

(Item name): Veddelholzer Dentspray

(Purpose): Pet Oral care

Supplier Information

Veddelholzer Corporation Ltd

Archiepiskopou Makariou III, 59 Mouyias Tower, 3rd floor, Office 301

6017 Larnaca Cyprus

(Tel.): +4925336429917

Email:

service@veddelholzer.com

(Emergency telephone number): +4925336429917

2. Ingredient

INCI NAME:

Oral spray Formula				
NO.	INGREDEINTS	INCI	CAS	PERCENT
1	Glycerol	GLYCERIN	56-81-5	12%
2	Propylene glycol	PROPYLENE GLYCOL	57-55-6	3%
3	Lactoferrin	LACTOFERRIN	146897-68-9	0.40%
4	Vitamin B6	PYRIDOXINE	8059-24-3	0.05%
5	Erythritol	ERYTHRITOL	149-32-6	0.20%
6	Lysozyme	LYSOZYME	9001-63-2	0.54%
7	Propolis Extract	PROPOLIS EXTRACT	85665-41-4	0.30%
8	persimmon Extract	PERSIMMON FRUIT JUICE EXTRACT		0.50%
9	Green tea extract	CAMELLIA SINENSIS LEAF EXTRACT	84650-60-2	0.92%
10	RH40 hydrogenated castor oil	HYDROGENATED CASTOR OIL	8001-78-3	0.30%
11	Milk Flavor	FLAVOR		0.40%
12	Water	AQUA	7732-18-5	79.39%
13	Lactobacillus	LACTOBACILLUS FERMENT	1686112-36-6	0.30%
14	Bifidobacterium	BIFIDOBACTERIUM		0.30%
15	Glucoseoxidase	GLUCOSE OXIDASE	9001-37-0	0.50%
16	Lactoperoxidase	LACTOPEROXIDASE	9003-99-0	0.50%
17	MCT Oil	MCT Oil		0.20%
18	Fennel	FOENICULUM VULGARE (FENNEL) OIL	8006-84-6	0.20%

Material Safety Data Sheet

Product name: Pet Oral Spray

3. (Risk Identification)

(No special risk)

4. (First aid measures)

After eye contact: rinse opened eye for several minutes under running water.

After broken skin contact: Immediately wash with water and soap and rinse thoroughly.

After swallowing: Immediately rinse your mouth, and drink plenty of water. Inform doctor for further treatment.

After inhalation: No harm to health.

5. (Firefighting measures)

Extinguishing method: spray type fire extinguisher, dry powder, foam or carbon dioxide.

No fire extinguishing method: no special regulations.

Combustion hazards: Avoid inhaling gases produced.

Protective equipment: Use separate breathing equipment.

Other information: Contaminated water after a fire must be collected and separated and not allowed to enter the drainage system.

6. (Leakage emergency measures)

Personal Protection: No personal protective equipment is required.

Environmental protection: if a large amount of product leakage or dumping must inform the fire personnel.

Products are not allowed to enter the drainage system.

Solid products are collected using protective materials and liquid products are decomposed using sewage treatment systems.

Material Safety Data Sheet

Product name: Veddelholzer Dentalspray

7. (Operation, disposal and storage)

Note: Do not eat or drink it.

Conflicting materials: no special requirements.

Storage: Store in a cool, dark place. Keep the container airtight.

8. (Exposure control/personal protection)

Precautions: Adequate ventilation is required during product storage and handling.

Respiratory protection: no protection is required for normal use.

Hand protection: no protection is required for normal use.

Eye protection: normal use does not require protection, avoid contact with eyes.

9.

appearance	cream
smell	Tea fragrance
pH	8.42
cadmium	≤0.18mg/kg
lead	≤0.25mg/kg
arsenic	≤0.25mg/kg
(cfu/g) Total number of bacteria	≤10
(cfu/g) Total number of fungal colonies	≤10
Heat resistant coliforms	none
Staphylococcus aureus	none
Pseudomonas aeruginosa	none

Material Safety Data Sheet

Product name: Veddelholzer Dentalspray

10. (Stability and reactivity)

Avoidance conditions: stable under normal conditions, avoid high temperature and extremely cold storage conditions.

Avoid substances: no special requirements.

Hazardous decomposition products: none.

11 (Toxicological information)

Toxicity information for the major ingredients of the product is listed below:

Acute oral toxicity: no data.

Skin irritation: no irritation.

Other information: None

12. (Ecological information)

No ecological data were available.

Avoid contaminating soil and surface water.

13 (Disposal)

Compliance with special waste disposal regulations. Waste must be sent to a special government incineration plant.

It is not allowed to enter the drainage system and pollute the environment.

14. (Transportation information)

Non-transportable dangerous goods.

15. (Regulatory Information)

2015

Technical specification for safety of cosmetics (2015 Edition)

Regulations on the supervision and administration of cosmetics

Material Safety Data Sheet

Product name: Veddelholzer Dentalspray

16. (Other information)

This safety data report is based on current knowledge and should not be used as a guarantee of product performance description or suitability for a particular application.
